

**A Cleaner Nidd, Fit for Life**

**Make rivers safe for all.**  
for invertebrates ( a vital part of the food chain) to fish, birds, animals and people.

**Stop sewage pollution.**  
End the illegal release of untreated sewage into the River Nidd

**Raise the bar.**  
Improve standards, so legally discharged waste doesn't harm the River Nidd

**Public Meeting November 26th  
Harrogate Becks' Outfalls**

In a serious local attempt to address concerns about **pollution in Harrogate's Becks**, YDRT, EA, YW and NAG and other local volunteers have **surveyed the whole of Oak and Bilton Becks**.

**The Report** of this collaborative project  
<https://emea01.safelinks.protection.outlook.com/?url=https%3...>  
describes the work done by volunteers on sampling, and the results.

**The public meeting is in Harrogate at St Peter's Church, on Wednesday November 26th at 18.00**

Come along and here what has already been done to improve the becks, and how the work will lead to future improvements.  
Please register, it should be a really interesting couple of hours.

**See you there!** We will provide further information to those who can't make it.

You might even get a taste for the activity and the good outcomes of the work?

[**HINT** We'll be looking for volunteers in the next few months as part of the ongoing AQUA project that NAG is part of.]

**Keep in Touch, and Up to Date!**

*Keep looking at the NAG website or Facebook for all up to date information!*
