

Nidderdale Charity Walk, Sunday May 18th 2025 – Please Register. Have a Nice Day and Raise Funds for NAG!

A group of NAG and YDRT volunteers enjoyed a wonderful time last year doing the 8-mile walk (shorter & longer options available). This photo was taken of last year's Nidderdale Charity walk, at Bouthwaite, above Gouthwaite reservoir (in the background) on the Nidd.

Details for this year are in [Nidderdale Walk 2025](#)

The main purpose of the annual event, run by Harrogate's Rotary Club, is for local people to celebrate our wonderful Nidderdale and our precious river – and to raise money for local charities.

Of course you will also have a memorable day out too. (The last two walks have been in fabulous weather, so it is almost guaranteed to be fine this year too!)

Make a day of it with your friends and family, and visitors too! Bring a picnic – it's not a race - unless you want it to be -take your time and enjoy the views!

If you are walking, you need to register via the above website link.

Entry fees are charged - £6 for the four miler or £12.50 for 8 miles or further.

Please support NAG by naming us as the local charity you are supporting. If you do;

NAG gets a share of refunded entry fees (provided enough of us register and name NAG as our preferred charity!).

You could also get sponsorship for your walk from those unable to take part (and again identify NAG as your preferred charity). All the details are in the above web link.

Every little helps! Please come along.

FYI I am taking part in the 8-mile walk, setting off from the Scout Hut at Pateley bridge at 10am. See you there?

David Clayden, NAG Chair
